Dear Parents and Carers

## Year 9

It's been a very busy week for year 9 as we come to another Friday afternoon!

I would like to personally thank Dominic S, Dylan G, Josh W, Tayo A, Evie M and Ben C for attending the Pupil Panels on Thursday, held by the school's Governors. You are all amazing and your insights into the school are invaluable – I appreciate your commitment so much.

For another mention, a huge well done to Dylan G who also spent his own time this week producing Ukrainian flag badges to be sold to raise money for Unicef and to show our school's support for the incredible courage of the people there, battling circumstances that we can only imagine. This was a brilliant idea of his, so if you would like to be involved by purchasing a flag to attach to your uniform, please bring in your money for next week when Dylan and some other students will be selling these at KS4 break and lunch times. The location is to be announced in tutor time next week.

Our Toynbee under 14s basketball team have earned themselves a place in the Southampton City Basketball Final on Tuesday next week which is an enormous achievement for the school – I'm so proud of you all, good luck boys!!

Carrying on the brilliant sporting news, the football team beat Portchester an incredible 6-1 to reach the Hampshire Football Club final – we can't wait to hear when that will be and a massive well done to all the boys in the team!!

I am so pleased with everyone's attitude towards going back to live assemblies on a Wednesday morning. I hope you found Mr Longden's assembly this week as inspiring as it was felt to be and I want to thank each of you for the way you come into the theatre and that you all listen as well as you do – it has not gone unnoticed, please keep it up!

I hope that you all have a fab weekend,  
Miss Massey

## Art

Young Photographer of the Year Winner 2021-What next...

During February Half Term Year 10 Fletcher Foot was warmly invited to take over the blog for the New Forest National Park Authority (NPA) for their 'Awakening Festival' 2022. The event's aims were about creating awareness and understanding of the issues within the New Forest and how we can all contribute to nature as climate change impacts our surrounding areas of natural beauty.

Fletcher said: "The New Forest is my safe place, a place where I feel free, unjudged and accepted ... and alive.

## MFL Trip to Oxford University

On Monday 21<sup>st</sup> March, the MFL department took 13 Year 11 students to visit St Hilda's College, Oxford University. The students took part in a range of language activities including French/Spanish literary translation and German/Italian taster sessions. The students had a tour of the college and experienced what it is like to study languages at Oxford University. It was a very challenging but rewarding day and the students represented Toynbee School excellently.
