Year 10

It's been a busy few weeks for year 10 with lots happening in the run up to the end of term. Following half term, the Tutor Time House Activities have been run by the Tutor Reps and it has been fantastic to see so many of the students getting involved in the different events that have been organized. We have had Halloween and world cup quizzes as well as shoot the hoop, mat sliding and a penalty shoot out and still have two Christmas themed activities to look forward to! Thank you to the awesome Tutor Reps (Olivia S, Scarlett P, Siena H, Chloe D, Henry G, Toby M, Oliver G, Albert V, Aaran C, Harnek R, Shekinah B-A, Amelia H, Jessica S, Carmel W, Klim K, Sarah P and Aimee W) - they have done an amazing job.

It's been lovely to see lots of students working hard and being awarded Proud and Achievement Points over the last few weeks. Currently 10CL are at the top of the year group with 211 Achievement Points and 10DG have a brilliant 346 Proud Points. As a whole the year group have an impressive 1441 Proud Points and 2739 Achievement Points. There are still two weeks until the end of term Celebration Assembly in which prizes will be awarded for the highest achieving individuals and tutor groups, so keep up the hard work!

There are several events coming up before the end of term and I'm hoping to see lots of my year group in Christmas Jumpers and festive colours on the 8th of December. It would also be great to see lots getting involved in the Toynbee's Got Talent Show on Monday 12th December after school. I know that we have a huge number of talented students in the year group so please do encourage your children to take part and showcase what they can do!

I hope you all manage to have a restful weekend.

Ms Gentle

Year 10 Guidance Manager

Mental Health First Aider (MFHA)

This week's the MHFAs wanted to share this article of effective stress relief strategies [Stress Relief: 18 Highly Effective Strategies for Relieving Stress \(verywellmind.com\)](#) there are lots of different suggestions on there so please do have a read and see if there are any new ones that might work for you

Geography Trip

On Thursday 24th November, the Geography department had the pleasure of taking 100 year 9 students to Portsmouth to study their UK city GCSE case study. During the day we visited many locations including the Historic Dockyard, Gunwharf and the Hot Walls in Old Portsmouth. At these locations we considered the social, economic and environmental opportunities of urban areas. In addition we looked at how Urban Regeneration projects can help encourage positive urban change. After lunch we went on a coach tour, where we looked at the differences in deprivation and green space around the city. The aim of the trip was to make this a more memorable case study for them all. As Portsmouth is a local city, please discuss these topics with them at home or if you visit them at any point. The students were great on the day and we would like to thank them for their positive behaviour and contributions. Many thanks, Mrs Breckenridge and the Geography department.

The Bike Doctor Returns – Free Bike Health Check TAKE 2!

We have organised the Bike Doctor to return and carry out a **free health check** for any pupil we missed the first-time round – please do not drop your bike if you had it checked last time! The check will be carried out by qualified staff from RideRide (<https://www.rideride.co.uk/>) based in Southampton. This will take place on Tuesday 13th December and the workshop will be set up in the Minibus parking spaces at the front of the school - they will have a tent up with plenty of signs!

Maths

This week's Sparx heroes who have achieved their Level 1 certificate and over 10,00 points and so showing the fantastic work and independent learning ethic that will help them achieve their full potential in Maths are:

Deacon Finn

Yash Swarup

Xavier Rodgers

Daisy Richardson

Mervin Chan

Millie Mason

Amazing work! Keep it up!

We have four new Level 2 Sparx Heroes this week, which is fantastic to see:

Deacon Finn

William Haskell

Rishan Faisal

Mervin Chan

Meanwhile, the new Level 1 Superstars for this week are:

Tej Swarup

Eva Humme

Neha Sunil

Eddie Dominy

Jake Willis

And we have our very first Level 4 Sparx Champion! Achieving an outstanding 48,335 points we have:

Emi Chan

Absolutely fantastic work everyone!

Mrs H Lo

Head of Department

PSHCE & THE WORLD CUP

Over the last two weeks in PSHCE lessons the pupils have had a lesson on The World Cup & Human Rights. We felt it was a good opportunity to discuss with pupils the controversy surrounding the event. The pupils engaged really well in the lessons & it gave them the opportunity to think about other nationalities & different ways that the international Teams have chosen to protest. The pupils raised some excellent points and engaged in some really interesting discussions.
