Rock of Ages!

We are delighted to have now finalised the cast list for our summer production of 'Rock of Ages' and we are all really excited to start rehearsing next week! Rehearsals will be after school every Wednesday and Thursday 3-5pm, starting with a full cast rehearsal on Wednesday 8th March at which full cast attendance is vital. Sign-up sheets are also now available for stage crew, backstage and front of house so do please encourage your child to sign up if they are interested in getting involved and have not already done so. If you have queries regarding the show or rehearsals do please get in touch with either Mrs Hatch (Drama) or Mrs Leyman (Music).

Mrs G Leyman
Head of Music

World Book Day 2023

This week Toynbee has been celebrating World Book Day. Throughout the week, all tutor time activities have focused on reading for pleasure and pupils have discussed the opening to stories which we hope they have found interesting. All pupils have also had a special World Book Day assembly and on Friday, all lessons began with an instalment of a short story. A particular highlight of the week was Toynbee's Masked Reader quiz, which pupils enjoyed in tutor time on Friday.

Geography Trip

On Thursday 23rd February, the Geography department had the pleasure of taking year 11 students to Lee on Solent to complete their GCSE fieldwork enquiry. The day involved students collecting primary data to answer their human and physical fieldwork enquiry questions. This data collection included a land use survey of the businesses in a small area of the town and groyne drop measurements to work out the direction of longshore drift. On the whole, the students behaved well and completed everything that was expected of them, which will massively help them with Paper 3 of their GCSE (worth 30%). Thank you to all staff and students involved.

Study trip to Spain

Just before half term (at a very ungodly hour) a bunch of Y9 and Y10 absolute troopers headed out for 4 days of immersion in Spanish, spending time in Seville, Cadiz and El Puerto de Santa Maria. They blew us away with the way they embraced Spanish, many even speaking in Spanish to each other and one texting home in Spanish! We ate all kinds of Spanish dishes - they made the best paella I've ever tasted - enjoyed the local supermarket and even learned a bit of Spanish history (in Spanish) at the local castle. An absolute pleasure for all the staff involved... next year is the French study trip and we're already looking forward to getting immersed in French - details soon!

Learning Resource Centre

This half term we will be running the following in the Learning Resource Centre:

Spring Fling! For every book that is borrowed from the Learning Resource Centre, pupils will receive a raffle ticket and a Proud Point. The raffle ticket will give them entry into a draw that will happen in the last week of term for Easter goodies - these are TBC as I don't have them yet!

As an added incentive to borrow books, I have attached "Golden tickets" to various titles round the Learning Resource Centre, if a pupil borrows a book that has this ticket attached, they will receive 5 proud points and 5 raffle tickets for the Easter Draw.

I will also be extending the 5 proud points for a book review on return of each book borrowed to all books in the Learning Resource Centre, not just Blind Date With a Book!

Blind Date with a Book was a big success, we loaned out over 100 wrapped books, and received 20 reviews so, thank you to all pupils who participated in this event, I hope that you all found your perfect book match!

SORA I will be adding 2 proud points for every book borrowed and read on Sora. We have had nearly 100 pupils log on and borrow from this service so far which is wonderful, but it would be great to see more take advantage of this resource. I am more than happy to help any pupil who is struggling to log on or who would just like a demo of what the service looks like. More titles are being added to this library all the time, there is something for everyone, books, comics and magazines as well as audiobooks for those that prefer to listen - it all counts towards your reading!

We are still running our Learning Resource Centre book logs, any year group can participate in this scheme, I have sheets in the Learning Resource Centre for all year 7 & 8 pupils and any other year can request a sheet from me. So far we have had 55 bronze awards (5 books) 30 Silver Awards (15 books) 13 Gold Awards (30 books) and 5 Headteacher Awards (50 books) We have extended the challenge to include Genre Star (reading from a list of different book genres) and Reading Champion where you have to read books by authors with surnames from every letter of the alphabet.

I would like to congratulate Matthew M in Year 7 and Joshua L in year 8 for achieving you Headteacher Reading Awards, reading 50 books each so far this year - Well done!
