Dear Parents/Carers

If any pupils are staying at school for any extra curriculum and they are riding their bikes home, can we make sure that they have lights on their bikes! A few days ago, children were all in black riding home with no lights, which makes it extremely difficult for drivers to see them and this could cause an accident.

Can we make sure that all pupils are following the school uniform regulations from Monday 7th November. Blazers and ties must be worn at all times around the site, unless staff give permission to take blazers off, this includes between lessons and when moving around the school site. The only exception is breaktime and lunchtime, but pupils must make sure they have full uniform on for their next lesson. There will be a uniform check every morning starting Monday 7th November if the uniform does not follow the regulations, then 48 hours will be given to resolve, or sanction will be applied.

Timetable

Next week is **WEEK A** on your lesson timetables.

Attendance Reminder

Please ensure you email attendance@toynbee.hants.sch.uk or send a message via school comms on the first and any subsequent days of absence for your child.

Thank you.

Year 7

Shoeboxes

Every year Toynbee are involved in the Annual Shoebox Appeal working with the charity organization FSCI. This is a lovely event to be involved in and it's always wonderful to see the generosity from the children with this appeal. Pupils will be getting further information about the Shoebox appeal this week in their tutor time however there is a tight turnaround with all the shoeboxes needing to be in by 24th November. It would be lovely for as many to be involved as possible, if you would like any further information about this please do not hesitate to contact me.

Year 7 Guidance Manager

Year 7 & 8 Art Workshop

We warmly invite year 7 & 8 into the art department for a themed one-off workshop on manipulation focusing on remembrance as a school and what the poppy symbolises around the world in this month of November.

When: Monday 7th November 3pm-4pm.

Where: A1.

How: Sign-up sheet on 'Art Club' board in art corridor so we have an idea of numbers and resourcing in advance.

Messy: Not this time. Aprons not required.

See you there year 7 & 8!

Toynbee Model UN

Toynbee's Model UN had its first meeting this week and it was absolutely fantastic. Students were assigned their countries and began research on their country's economic, social, political, international and religious profile. Next time (Mon 12th October) we will begin to take on the roles of our given countries and start practicing some international diplomacy and debate.

Model UN meets every Monday fortnightly in Mr Davis' room (Media 1) and everyone is welcome, whether you have been before or not.

It is great fun and I look forward to seeing as many of you there as possible!

Year 9

Geography year 9 trip to Gunwharf – please remember the deadline for the medical forms and payment is this Friday 4th November. We are unable to take pupils that have not completed the medical form. We would love as many students as possible to take part in this trip. Any questions, please email e.breckenridge@toynbee.hants.sch.uk

Pupil Leadership Team

Over the last half-term, Toynbee has been hard at work appointing our Pupil Leadership Team for 2022-2023. So many enthusiastic, conscientious and brilliant students put their names in the ring to lead this year 11 cohort, and I am delighted to announce our 2022-2023 Pupil Leadership Team Below:

Year 11

On Wednesday evening we took 30 year 11 pupils to see An Inspector Calls at the Mayflower Theatre. Year 11 study the play as part of their GCSE English Literature course. The performance was excellent and presented some interesting ideas for our pupils to consider. The pupil's behavior was outstanding, and we hope that they all enjoyed the show.

Personal Development

Over the next 7 weeks we will be using the Personal Development slot in tutor time to explore the theme of CONNECT. The aim is to look at building on connections that pupils have with members of the Toynbee community. Challenging connection they have with public figures and media influences, looking at how we connect with the wider world & how pupils connect with each other & themselves.

Connect - Week 1

Week 1 - We begin with a quiz that features TEAM TOYNBEE staff & their previous careers. The aim is to allow pupils the opportunity to think about career options, Life beyond Toynbee & the career paths of Toynbee staff.

Wellbeing

Now that we have covered the five ways to wellbeing in our personal development tutor time sessions, we want to use the newsletter to give out weekly top tips from our wellbeing ambassadors. As we return from half term this week our top tip is around making sure we are getting enough sleep for our wellbeing. This sleep-cast from Headspace might help anyone who is struggling to get enough sleep and help them with their learning. Sleep-casts use sound and visualisation to create the perfect atmosphere for healthy, restful sleep.

Toynbee

Don't forget please vote for Toynbee School and help us get a share of the Tesco Community Grants fund!

We are bidding for a cash boost from the Tesco Community Grants initiative. Tesco works with community charity Groundwork to run its community funding scheme, which sees grants of up to £1,500, £1,000 and £500 awarded to local community projects.

Three groups in every community have been shortlisted to receive the cash award and we would like you to head along to our local Tesco stores to vote for us. We are raising funds to purchase an additional life saving defibrillator for our sports facilities. With our extensive PE curriculum, after school provision, and over 20,000 community visitors per year, we want to ensure this life saving equipment is available and easily accessible if someone ever needs it.

Voting is open in the Tesco stores listed below throughout October, November, December and you can cast your vote every time you shop, using a token given to you at the check-out.
