Model UN

Model UN had a brilliant first meeting back on Monday, with many familiar faces and many new faces as well! We were assigned our given countries, including the UK, Canada, Saudia Arabia, North Korea, Cuba and Argentina. Students spent the Model UN session learning about their countries, especially which other Model UN states they had a good (and not so good) relationship with. There are still a few countries available, so if you'd like to join Model UN for our next session, please come see me and I'll give you a country - it's available to any Toynbee student!

Our next meeting is Monday 23rd January in MediaStudies1 3-4pm - I look forward to seeing you there!

Mr Pople
