30.09.2022

Dear Parent/Careers,

The school will be closing early for Open Evening on Thursday 6<sup>th</sup> October at 12.:00pm.

## Timetable

Next week is **WEEK A** on your lesson timetables

## Attendance Reminder

Please ensure you email [attendance@toynbee.hants.sch.uk](mailto:attendance@toynbee.hants.sch.uk) or send a message via school comms on the first and any subsequent days of absence for your child.

Thank you

## The Toynbee School Parent Staff Association

Now that school life has returned to normal and we have fully reinstated our extra-curricular programme, we are looking to re-engage parents with the Toynbee School Parent Staff Association starting this term if possible.

This is an opportunity for Parents to be involved in events held by the school, and to run their own fundraising events for school projects throughout the year. If this is a group that you are interested in being involved in, please have a look on the PSA page on our website, and email [admin@toynbee.hants.sch.uk](mailto:admin@toynbee.hants.sch.uk) with your contact details.

## Personal Development

This week we have been focusing on the way that learning new things can improve our confidence and open the doors to new opportunities. We thought about how we could learn something new this week and as a tutor group learnt how to write the numbers 1-10 in Japanese. Each tutor group has a challenge to translate a quote from The Cat in the Hat into as many different languages as they can!

## Library Resource Centre

I would like to publicly congratulate our first round of bronze award winners, all having read a recorded 5 books on their Library Resource Centre reading logs.

Abby L, Carly I, Alec N, Amelia W & Ethan R. Well done to all of you for your fabulous reading efforts.

In preparation for marking Black History Month, the Learning Resource Centre has a display of books featuring Writers of colour or books with characters of colour as well as some non fiction texts about Black History. Please encourage your child to visit and browse to discover some truly wonderful stories and information.

Every term in the Learning Resource Centre we run a competition that measures borrowing in tutor groups, the winning tutor group gets points towards the House cup and the most coveted prize of the LRC Triwizard cup to look after for the next term! Our current leaders are 7HT - well done!

I hope that you enjoy a book filled weekend!

## Year 9

This has been one of the busiest September's I have ever known! It has been lovely to get to know my new year group and I am so proud of them for their continued hard work.

As we reach the end of the month, this week in assembly I awarded prizes to the pupils with the most Achievement Points and Proud Points. Well done to Honor N for achieving the most Proud Points and to William L and Leah M for being this month's winners for Achievement Points.

This week during tutor time year 9 voted for their School Council Leaders. It was great to see so many pupils interested in joining the School Council. It is great opportunity for pupils to have their voice heard and to develop their leadership skills. Good luck to all those who put themselves forward!

Well done for another fantastic week year 9 - Keep it up! Have a great weekend 😊

Best wishes,

Miss West

## Art Department

## **WALKTOBER Challenge**

Throughout October, we would like as many of our young people to get involved in this Hampshire event. Can you get involved and step up for our planet, wellbeing, and our community! Attached with the newsletter this week is a Challenge Card for pupils to print out and complete along with information about how to enter the competition if they wish to. We will launch this with all pupils next week and will have Challenge Cards resourced for them in the LRC if they wish to pick one up there.

We really hope that as many of our pupils and their families get involved with his initiative!

## **Bike Doctor – Free Bike Health Check**

As part of Cycle to School week (3<sup>rd</sup> – 7<sup>th</sup> October) we have organised a **free health check** for any pupil who would like their bike checked over before the colder and wetter weather sets in over the winter. This check will be carried out by qualified staff from RideRide based in Southampton. This will take place on Friday 7<sup>th</sup> October and the workshop will be set up in the Minibus parking spaces at the front of the school. Simply drop it off and pick it up at the end of the day!

## **HiVis Club**

We would like to formally welcome all our students back to HiVis club on a Friday after school. For any families not aware, HiVis club is run by our VI Resource to give our students opportunities to experience lots of different activities, in a safe and supported environment. Last week, we played football and polybat (a game similar to table tennis) and this coming Friday, we will be using the rowing machines for a bit of a challenge and also playing boccia (a specialist vision impairment sport). We always like to encourage students attached to the Resource to bring along their friends and this term, if our students bring along a friend, they will all receive Proud Points. As always, I will continue to send home the schedule of activities on a half termly basis. We look forward to welcoming your children to HiVis.

## Please vote for Toynbee School and help us get a share of the Tesco Community Grants fund!

We are bidding for a cash boost from the Tesco Community Grants initiative. Tesco works with community charity Groundwork to run its community funding scheme, which sees grants of up to £1,500, £1,000 and £500 awarded to local community projects.

Three groups in every community have been shortlisted to receive the cash award and we would like you to head along to our local Tesco stores to vote for us. We are raising funds to purchase an additional life saving defibrillator for our sports facilities. With our extensive PE curriculum, after school provision, and over 20,000 community visitors per year, we want to ensure this life saving equipment is available and easily accessible if someone ever needs it.

Voting is open in the Tesco stores listed below throughout October, November, December and you can cast your vote every time you shop, using a token given to you at the check-out.

## Can you help with any upcoming school events?

Charters have approached Toynbee School to support the increase of its annual involvement in the local community and charity-based events across Hampshire and Surrey. This ranges from numerous sporting clubs, school events, village fetes, theatre productions, bonfire evenings and many summer and Christmas markets. In return Charters are asking any parents to support by asking if they are willing to display a Charters Community Champions Sponsorship board outside their home. These boards advertise the date and time of an event and will usually be put up two weeks ahead of any event and taken down in the following week. If you are interested, please contact Simon Comber on 02382358580 or email [s.comber@chartersestateagents.co.uk](mailto:s.comber@chartersestateagents.co.uk)

## Scout Ambassador

Chris the Coast Walker is one of the newest Scout Ambassadors for Chandler's Ford Scout Group. He has kindly offered to host a questions and answer session as a fundraiser towards their #brickfieldsbigbuild project to replace their old hut with a bigger, better Scout Activity centre and Head Quarters. He is a fantastic motivational speaker who has been on some epic adventures. For further details please see <https://fb.me/e/3GhW4lhKy>

## ONLINE SAFETY

At Toynbee all pupils have ongoing education, support & guidance in Internet Safety & the risks associated with growing up & navigating the online world.

We thought it would be beneficial to share some online safety tips from the NSPCC with you at home.

## Online safety: top tips

Going online is a huge part of most young people's lives so it's important to talk to them about online safety. Here's our tips to get you started.

### Chat to them about what they like to do online

The best way to find out what your child is doing online is to talk to them and have regular conversations so that online safety is part of everyday discussion. Ask them open-ended questions like 'What's your favourite game or app to play on?'.

- Listen to what they have to say and show an interest. They could give you a demo of their favourite app or show you their favourite YouTube or TikTok account.
- They will probably be able to teach you things you don't know! This will also give you an opportunity to chat about any safety settings they might already have in place.
- Regular conversations with your child will encourage them to come to you if they ever need support or advice.

### Talk about who they are in contact with online

There are lots of different ways that children can talk to people online – messaging apps, on social media, and less obvious ways such as chat on online games. Talk to your child about who they are talking to and what they are sharing with them.

- Use settings to help limit who can contact your child.
- Remind your child that they shouldn't share personal information with people they don't know online.
- Let your child know they can come to you or another trusted adult if any conversation makes them feel uncomfortable.

Make sure to talk to your child first before implementing any new settings and explain to them how they help to keep them safe.

### Help manage what they see and do online

Parental controls and privacy settings can help you manage how your child spends time online and help to keep them safe.

- Device settings – manage things like location sharing, screen time and in-app purchases. Most tech and gaming companies have dedicated pages to support with setting these up.
- App or game settings – in-app tools that can help to keep your child's account private and manage who they're talking to. You can normally find information on these in account settings or directly on the platforms website.
- Mobile or network provider settings – help to manage browsing access and stop your child from visiting inappropriate sites or downloading apps that aren't suitable. Contact your mobile or broadband provider for more information about setting this up.

### Remember it's ok to ask for help!

Remember you don't have to be an online safety expert – that's our job! We're here to help, with resources and advice to help support you and your child.

If your child asks you a question you don't know the answer to, or speaks to you about a negative experience they had online, here are some of things you could do:

- Visit the NSPCC online safety hub: [nspcc.org.uk/onlinesafety](https://nspcc.org.uk/onlinesafety)
- Call the NSPCC helpline **0808 800 5000** to speak to an advisor
- Ask another parent
- Speak to your child's teacher
- If your child needs more support, they can contact Childline: [childline.org.uk](https://childline.org.uk)
