

**Climate  
Change**

**Adaptation – Agricultural**

**Adaptation – Managing Water (making glaciers)  
and reducing risk from rising Sea Levels**

**Climate change vs global warming**

**Evidence for  
Climate Change**

**Mitigation – International Agreements**

**Mitigation – Planting Trees**

**Natural Causes of Climate Change – Orbital Changes**

**Natural Causes of Climate Change – Solar Activity**

**Mitigation – Carbon Capture**

**Mitigation – Alternative Energy Sources**

**Human Causes – Greenhouse effect**

**Natural Causes of Climate  
Change – Volcanic Activity**
