LIVING IN THE WIDER WORLD

Definition

• In the words of Abraham Lincoln, "Democracy is government of the people, by the people and for the people."

start

Parliament is made up of three parts: the House of Commons, the House of Lords and the king or queen – known as the Monarch.

The House of Commons is made up of Members of Parliament (MPs). MPs are elected to represent our views in the House of Commons.

In the House of Lords, members are appointed from inside and outside of Parliament, based on their special experience and knowledge, to check and challenge the work of the Government.

The role of the Monarch is mainly ceremonial these days.

The Monarch meets the **Prime Minister** once a week to hear what's going on in Parliament, signs new laws (gives Royal Assent) and attends the State Opening of Parliament.
