

Meet the Tutor – Mr. May

7MY

- I've been teaching since 2009 and have been at Toynbee over 11 years.
- I love Football and my favourite players nickname is meatball. I also really enjoy basketball, and my favourite player ever is Hakeem Olajuwon. PPs for the first person to tell me which teams I support.
- I Studied Marine Environmental science at university (a long time ago) and swam with wild dolphins in the Caribbean (and sharks, rays and barracuda).
- I have a young family and a small dog.
- I teach science and psychology at Toynbee because I love knowing how things work.
